

Building a Nation Tour (60-90 minutes)

Discover some of the major developments that helped Canada to become a nation from the late 1800s to WWII. Themes and historic events explored include the building of the Canadian Pacific Railway, engineering developments from aircraft to agricultural equipment, and Canada's role in the military.

- *Railcars (Caboose and le Rideau)*
- *Musketeer Plane*
- *Southport Building*
- *Mutual Insurance Garage*
- *Agricultural Barn*
- *Allis Chalmers Building*

Activities recommended: *Artifact Find, History Hunt, Vintage Games*

All school and daycare field trips include ONE hands-on heritage activity. For more details, please see our website. Tours are customizable, and additional heritage buildings may be visited on the tour by request. Groups may visit the rest of the Museum at their leisure, or spend time on the grounds for lunch/picnics.
